

Position Description

Staff Psychotherapist (LPC, LCSW, LMFT)

The Center is recruiting experienced LPCs, LMFTs, and LCSWs to provide therapy for adults, couples, and/or children based on expertise.

With a central office in Highland Park, and Network Offices across North and Central Texas, therapists have options for seeing clients at an office that is convenient.

The Center offers a collegial and engaging environment in which they may have a practice that fulfills their personal goals as a professional. Clinicians may have the best of both worlds – the ability to develop their ideal practice along with the opportunity to work in an interdisciplinary organization that focuses on ongoing professional growth and continued learning.

Key Responsibilities:

- Establish treatment goals aligned with clients' spiritual and emotional needs.
- Honor faith and spirituality in the lives of clients.
- Provide individual, couple, and group counseling utilizing evidence-based practices.
- Maintain clear, consistent, and ethical documentation of client sessions and progress.
- Collaborate with other staff to support client care.
- Uphold all legal, ethical, and professional standards set by licensing boards and faith-based guidelines.
- Participate in ongoing clinical support and professional development.
- Promote the mission and values of The Center through compassionate and respectful service.

Qualifications:

- Master's degree or higher in Counseling, Psychology, Social Work, or related field.
- Current licensure as a LPC, LMFT, or LCSW in Texas.
- Excellent interpersonal, communication, and active listening skills.
- Commitment to confidentiality, ethical practice, and ongoing professional growth.
